

To internationalize the school means:

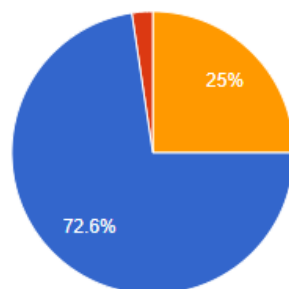

- To learn from other European realities.
- To know cultures and European traditions.
- I don't know.

Do you know what is a Erasmus+ project?

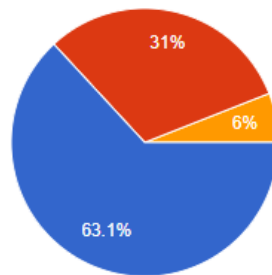

- A project to learn English.
- A project to internationalize the school.
- I don't know.

Who can take part in an Erasmus+ Project?

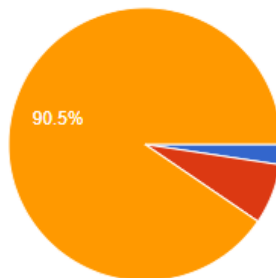

- All the educative community of the school.
- I don't know.
- Only students.

To be part of an Erasmus+ project I have to...

- Know how to communicate in English language.
- Be willing to participate.
- I don't know.

What can we do in an Erasmus+ project?

- I don't know.
- We can travel around Europe.
- We can internationalize the school, open it to the European context and exchange good practices.
